3HS1200AL-WE
Performance Range Sweep Fans

Product Data Sheet

3HS1200AL-WE

Clipsal's Performance Range has been Australia's most loved and trusted sweep fan range for over 20 years.

Coming in multiple finishes and sizes to suit almost any situation, this range boasts some of the highest airflow levels in the market and will meet your requirements even in the warmest applications.

You can also expect your fan to perform unnoticed, with rubber gaskets and a unique large nylon ball ensuring stability from wobble and protection from noisy vibration.

For a workhorse fan with longevity to match, Clipsal's Performance Range will not let you down.
